AMERICAN LEGION

Atlantic City, N. J.

February 29, 1944

Mr. A. T. Manley
 Newark Eagles
 71 Crawford St.
 Newark, 2, N. J.

Dear Mr. Manley:

I am writing you as the new Commander of the Legion. Yes, I know you and your ball club can find a place to train here in our City. The Yankees come in on Monday, March 6, but your club could be here while they are here as they are using Bader Field.

You could use the ball park you played in when you played the Homestead Grays and use our home dugout. We have 16 showers in the dugout and 12 upstairs. You could arrange for board and lodging very reasonably at the Ridley Hotel or Perry's Cottage.

The park I named belongs to the City; and, I have arranged for Directors Altman and Casey plus our press bureau agent, Mal Dodson to take you around with me and past commander Hoyt, representing the Board of Trade.

Please let me know when you can come down and I will arrange with the city commissioners and the Chamber of Commerce to take you around.

Sincerely, *Raymond G. Robinson*
